

ID1 Tower, in-wall, or on-wall designs have reference-grade sound in a package that both audiophiles and interior designers will appreciate.

ID1 ID1.iw ID1.15

SW Authoritative Subwoofers that produce a full range of bass without the booming resonance peaks and muddy distortion commonly found in subs.

SW1 SW2 SW4 SW4.iw

S1 Like all Induction Dynamics speakers, the S1 incorporates full-sized, patented S4X® crossovers for incredibly precise, natural sound.

S1.iw S1.8 S1.8iw S1.8T S1.8TiW

S2

S2 S2.C S2.LR S2.IW S2.T

C1 These center channel speakers produce crisp, clear dialogue and special effects at any volume.

C1 C1.8w

C2

C2 C2.iw

Amplifiers Includes patented technology to reduce distortion and protect subwoofers.
